# About Us

Our establishment was born in 2000 under the name (Shaaban Contracting). With the expansion of our business inside and outside Egypt, a branch was set up in Dubai in 2006 under the name (Al Hamim Construction). In 2008 the company's branch in Egypt was renamed to (Mosaic Marble & Granite, MMG).

In 2010 a second branch was established in Dubai under the name of (Al Naher Al Aseel Technical Works) which was later renamed to (Al Afkar Al Jamilah) . Finally, with our latest establishment in 2022 (Mosaic Trading, MMG) in partnership with LACOMAR S.A. which has been leading the way in the Greek marble industry since 1967.

We are known for our good reputation among our customers all over Egypt and the Arabian Gulf and other countries for our high quality, prices, attentive services and on time delivery.

The company specialises in transforming blocks of marble and granite extracted from Egyptian quarries or imported as raw materials from various countries into high quality finished marble products to supply our clients. MMG is ISO 9001:2015 certified.

# OUR MISSION

To achieve that our clients look at marble the way that we do, treat it with the caution and care it deserves so as to maintain its natural greatness every step of the way, from selection to application and aging through time.

# OUR VISION

To continue to lead the way in the marble and stone market worldwide, especially in areas like London and New York and to share our passion, know-how and expertise with the biggest marble and stone architectures, consultants, architects and designers worldwide
